Yaba Daba Doo - We're coming after you
Yaba Daba Doo- We're coming after you

To the Freshmen - You must say
Fred and Barney have shown you the way.
Your west will be won the day we are done.
Don't shed a tear - do not fear
This is our last year.

Yaba Daba Doo - We're coming after you
Yaba Daba Doo - We're coming after you

To the Sohomores - Ahoy you sailors that we've seen
Like your spinach you're turning green.
Abandon ship while you can
The Senior Stoneage has struck land.

Yaba Daba Doo - We're coming after you
Yaba Daba Doo - We're coming after you

To the Juniors - What can we say
Today is Senior victory day.
You're making your stand in fantasy land
And your forecast for tomorrow includes lots of sorrow.
Why don't you take Mickey and his clan
And fly away to Never-Never Land!

Back in time here we go
The Senior class is about to steal the show!

CLASS THEME SONG:

"FOREVER YOUNG"

LET'S DANCE IN STYLE
LET'S DANCE FOR A WHILE
HEAVEN CAN WAIT
WE'RE ONLY WATCHING THE SKIES
HOPING FOR THE BEST
BUT EXPECTING THE WORST
ARE YOU GOING TO DROP THE BOMB OR NOT?
LET US DIE YOUNG OR LET US LIVE FOREVER
WE DON'T HAVE THE POWER
BUT WE NEVER SAY NEVER
SITTING IN A SANDPIT, LIFE IS A SHORT TRIP
THE MUSIC IS FOR THE SAD MEN
CAN YOU IMAGINE WHEN THIS RACE IS WON?
TURN OUR GOLDEN FACES INTO THE SUN
PRAISING OUR LEADERS,
WE'RE GETTING IN TUNE
THE MUSIC'S PLAYED BY THE MADMEN
FOREVER YOUNG, I WANT TO BE FOREVER YOUNG
DO YOU REALLY WANT TO LIVE FOREVER
FOREVER-AND EVER

SOME ARE LIKE WATER,
SOME ARE LIKE THE HEAT
SOME ARE A MELODY AND SOME ARE THE BEAT
SOONER OR LATER, THEY ALL WILL BE GONE
WHY DON'T THEY STAY YOUNG?
IT'S SO HARD TO GET OLD WITHOUT A CAUSE
I DON'T WANT TO PERISH LIKE A FADING HORSE
YOUTH'S LIKE DIAMONDS IN THE SUN
AND DIAMONDS ARE FOREVER
SO MANY ADVENTURES COULDN'T HAPPEN TODAY
SO MANY SONGS WE FORGOT TO PLAY
SO MANY DREAMS SWINGING OUT OF THE BLUE
WE'LL LET THEM COME TRUE

"WE'LL CHANGE THE WORLD
AND BE FOREVER YOUNG."

(Tune: Theme Song from "The Flintstones")

Seniors, meet the Seniors
We're a modern stoneage Senior class.
From the town of C.V.
It's a place right out of history

Let's ride with the classes down the street
Show them that the Seniors can't be beat.

When you're with the Seniors
You'll have a Yaba Daba Doo time
Daba Doo time
You'll have a great 'ol time!

refinished gym

FLOOR

When you returned to the high school this year you may have noticed a few changes going on to improve the school, such as the new paint and the gym floor being redone.

The painting of the school was the most noticeable and the most major project. The school had been setting money aside in a fund for the eventual painting of the school, and then at the end of last year the decision was made to begin the project.

One of the impressions that was made on students and some teachers was that the school was going to be pink and gray . Obviously that is not true as evidenced by the completed painting job.

Another school improvment that was started over the summer was the refinishing of the gym floor. This project was started by an all-volunteer crew; included in this group was Jim Heater and his family, John Brosnan, Oscar Sakamoto, Willie Redmond, and several members of the Boosters' Club.

This group of people put in hundreds of hours and received no compensation. The results of this effort is a wonderful looking gym floor.

The campus beautification committee also plans to fix up the old horticulture area in the near future. The committe members are not quite sure what it will be used for, but it may be for staff members or to rent out to private parties.

ASB President, Elisa Uribe

good job ASB

The '85-'86 school year student government worked out wonderfully under the leadership of President Elisa Uribe, Senior Class President Richard Jesswein, Vice-President John Henderson, and School Board Representative Michael Wrenn. The "Big Four", as they're known, have done much work to provide us with the kinds of activities we all like to participate in.

Michael Wrenn, for instance, has worked all year to bring us the first nominating convention in ten years.

Richard Jesswein was the sponsor of the "3x5 Card Signing" in an effort to get Castro Valley High School a free concert by Go West, an idea that had the staff rolling in agony at the thought of all that work, not to mention the potential for something going wrong.

Word had it that the busy ASB was also working on a student body constitution which was presented to the student body at the end of the year.

Others, such as Rob Six, brought more quality to the Student Congress, an organization many had felt was "Mickey Mouse."

This year had also seen many other potential leaders come into play; many of whom aren't ASB officers, some who plan to, others who do not. All of them, however, had provided us with the kind of leadership, rare in most persons our age, that counts.

D.C. hosts awards

CEREMONY

On Sept. 29 through Oct. 2 Nancy Spaeth, principal, Eldon Rowe, teacher, and Linda Tangren, school board president, went to Washington D.C. to receive an award for being one of the top schools in the nation. "Seeing the president up close and to receive our award were the two biggest highlights of the trip," Spaeth stated.

The seating arangements for the schools accepting awards was alphabetical order; being at the head of the alphabet, Castro Valley, represented by Spaeth, was seated in the front row.

In his address to the schools' representatives, President Reagan stated that there was definitely a big change and turnaround in public schools. In Reagan's opinion, there has been tighter academic guidelines set fourth and more emphasis on discipline.

Altogher, there were over 1,000 people representing 108 public high schools, 104 public junior high schools, and 90 private schools, there were not very many students there, 15 approximately.

The school received a flag that reads "Excellence in Education 84-85" on it, and every staff member received a small pin that is a replica of the flag. The school also received a plaque.

Spaeth was very excited about the Washington D.C. trip and seeing the president. All in all, Spaeth was impressed that "people thought enough of education to go through all the effort; the special attention was really overwhelming."

CV spirit rally on the GO

Senior Stone Age, Junior Disney, Sophomore Sailors and Freshman Frontier, does this sound familiar? Yes, it was that time again, time for Castro Valley's annual spirit week. On October 23 this year's spirit week started off with each class's march. This was when everyone in his class wore theme colors and marched around the school announcing, "We're the best."

The class of 1986 led by Richard Jesswein created their own version of "Senior Stone Age." Enthusiastically, Senior class president Richard Jesswein stated, "Our class became so united this year; I suppose you could call it senior magic. We wanted rally to be competitive; we also wanted to have the time of our lives. I know we surprised you."

A fantasy theme was taken on by the junior class, "Junior Disney." Using the characters from Walt Disney productions, the junior class hoped to have lots of fun and be very successful.

This year's sophomore class portrayed Popeye as their mascot. President, Rachel Rogers had a positive attitude. "I'm really proud of our class spirit."

Freshman Frontier was the first Rally theme for the class of '89. This western theme got many people excited. Micah Stowe summed up the feelings for the class of '89, "I guess I was just plain excited."

Friday, October 25 was when the real competition began. In the morning there was the hall decorating, then later were the class cheerleaders, songgirls, skits, chants, songs and much more during the assembly in the gym.

At the dance after the football game that night, the winning class was annouced and the 1985 Rally was over. The Senior class WON!

Christmas activites bring flavor to holiday SEASON

The holiday season was here once again. Along with the holiday season came the Christmas activites.

First, there was the Food Basket Drive. Each second period class may have decorated a large food bow containing non-perishable food items, new toys for small children , paper products, and cleaning products. These activities started Monday, December 1 and concluded December 16.

Another contest was classroom door decorating; it started December 9. Each class could have decorated their doors with a holiday theme. Doors were judged on December 20.

Other contests open to students included ornament, poetry, and short story contests. Ornaments must have been handmade and turned in to Room 313 by December 18.

Holiday poems must have been one page or less, and short stories must have been two pages or less.

All contest results were announced at the Holiday Assembly on December 20. Santa Claus was Eric Heslet and Mrs. Claus was Emilie Olsen.

presenting; a luau in JANUARY

It's time once again for the annual winter dance. This year it was being called the 'Winter Luau", which was held on January 9, 1986, fom 8-11p.m.,in the cafeteria. It was being sponsored by the Olympian and Ski Club. The cost was $4.00 for singles and $6.00 for couples.

Students were able to dance the night away to all kinds of popular music. The dee-jay for the dance was John Kozak, who graduated from CVHS last year.

The Winter Luau was semi-formal and everyone was expected to dress in good taste. Boys attire was as follows; Sweaters, slacks, sportcoats, etc... Girls attire was as follows; dresses, skirts, or nice pantsuits.

Also, as in the past, Garibaldi Photography was available at the dance to take picture for couples or good friends. The prices of these pictures ranged from $6.00 to $12.00 in price, depending on the package size.

Both the Olympian and Ski Club worked hard to make this winter dance a pleasurable event for everyone. The many decorations reflected this tropical theme.

CV High fashion trends for flair, but **WHERE?**

Where do you buy your clothes? Macy's, Ross, Emporium, Bay Fair, or Stoneridge Mall, or maybe even thrift shops? Most of the people we asked seemed to agree on one thing, either Bayfair or Stoneridge Mall is their number one choice for fashion.

Although styles seem to change quite often, most students agree that finding certain types of apparel to suit their style isn't that hard; you just have to look around.

Starting with female shops, The Limited, Clothes Barn, Jay Jacobs, Foxmoore Casuals, Contempo, Macy's, and Emporium seemed to be favorites to the majority of the teenage girls attending Castro Valley High.

Although fashion seems to be more directed towards the female adolescent, an increasing number of boys are becoming more interested in fashionable trends.

The difference with them is where they shop. Boys tend to shop wherever they see something they like. There are not as many male department stores as female, making their selection more limited.

The Tiger Shop in Macy's is a favorite; Jay Jacobs, and Emporium Capwell are all places guys can find fashionable apparel anywhere from casual to a more modern look. Although trends come and go, the majority still seem to favor 501's, T shirts, and tennis shoes, which can be purchased anywhere.

No matter what the style is, fashion is important to the majority of students because it represents the individual. Whether they're a preppy, jock, mod, rocker, hick, new wave, hard core or death rocker, the clothes establish the image they project as a person.

There are many shops and boutiques to buy clothing, but these are a few of the stores most liked by the majority of C.V.H.S. students.

CV students to model fashion show: MARCH 19

On March 19, 1986, the *Olympian* and Parent, Student, Staff Association (PSSA) again sponsored the Touch of Class fashion show featuring junior prom and senior ball fashions and started at 7:30 p.m. in the CVHS cafeteria.

Tickets at $5.00 each were sold by models, *Olympian* staff members, and members of the PSSA. They were also purchased at the door. Refreshments were served and door prizes were awarded.

Juniors, seniors, and members of the *Olympian* staff modeled many fashions for the junior prom and senior ball dress attire.

If you had not found your dress or tuxedo that you like, this was a great opportunity for you to see some of the latest fashions in formal wear for the prom this year. All four local flower shop donated flowers for the fashion show.

Sherwood Fabrics (which is located in the Castro Village) had a display for people who made their outfits. This was a good opportunity for them to see some samples of material that would interest them and find out costs.

Another local business that was represented was the limousine business. People from the business were at the fashion show to answer questions about costs of a limousine rental, space in them, and were on display.

The models for the fashion show included; Danielle Dodds, Lisa Duey, Dave Ferrell, Andrea Havercroft, Sharon Jarvis, Lisa Laird, Mark Lewis, Ryan Nearhood, Joyce Perry, DeeDee Peterson, and Andy Warner, all *Olympian* staff members.

Other models included; Becky Barr, Janell Blanchard, Andrea Brant, Marlo Brazil, Peter Engbrook, Kristi Guest, Dave Henderson, Erick Heslet, Richard Jesswein, Kelly Johnson, Kris Kantor, Shannon Lakey, Richard Lovelady, Dino Modesto, Kim Myllus, Jennifer Penton, Patricia Perry , Shelly Salsbery, Mimi Silmi, Rob Six, And Elisa Uribe.

'Touch of Class' festivities commenced on MARCH 14

Castro Valley High was nearing its 5th annual "Touch of Class" Day, which was held on March 14. This year's theme was the "Blue Fox," which was the name of the restaurant. This day was sponsored by the sophomore class.

For those new to CVHS and unfamiliar with "Touch of Class" Day, it's a day when all students and faculty dress their best and display their best manners. The freshman class was auctioning off a couple of free rides in a limousine.

There was a luncheon in the cafeteria during which there were waitresses and waiters to serve meals. This year's menu consisted of Ceasar Salad, Breast of Chicken Nivernais with wine sauce, Wild Rice Pilaff, Croissants with Butter, and Fresh Fruit Compote. Coffee and Milk was served free of charge, coketails were $.50. There was lots of room, but you needed to make reservations ahead of time. Tickets were on sale from March 3 to the 13th for $3.00 for students and $3.50 for adults.

SHOW

On Friday, March 7, 1986, from 7:00 p.m. to 10:30 p.m. Castro Valley High School's Senior Class brought back the tradition of the Senior Talent Show.

"A Walk Through Time," as it was called, was the first such talent show in over five years.

"I intend to renew this school tradition with a boost of our class and school spirit...as always my class will be successful; we will uphold our track record as movers and shakers," commented Richard Jesswein, Senior Class President.

In addition to the numerous competitive acts in which there was three cash prizes awarded, there were four acts included in the evening's entertainment which were performed by members of the Senior Class. These "senior" acts were not judged in the competition.

Jesswein was optimistic that his class's revival of the Senior Talent Show will set the trend for future classes, and the show will flourish in future years.

In past years, the Senior Talent Show included performances by seniors only. It used to be called the "Spartigras" during the days when Castro Valley High School's mascot was the Spartan. Eventually, seniors lost interest and quit producing the show.

talent show postponed with bomb **THREAT**

Friday, March 7, 1986, the Senior Talent Show ended up being quite a show. The sold out, standing room only crowd was enjoying the performances by the CVHS Students.

After four acts Richard Jesswein, Senior Class President, calmly told the audience not to be alarmed. There was a bomb threat made, and everyone needed to calmly walk out of the building.

Many people weren't sure what to do. Everyone evacuated the cafeteria quickly and luckily no one was hurt. Because Jesswein was calm (or at least appeared to be), it made the evacuation a lot easier when he was trying to give instructions to the more than three hundred people who attended the event.

Once everyone was outside about eight police officers rushed into the building. Minutes later they returned telling everyone that the show was cancelled; please leave the school campus.

"I was pleased with the way the audience evacuated the building. It was very upsetting to me. My class was successful and someone decided to blow it for us. But it takes a lot more than a terrorist attack to stop the Class of 1986; the show will be rescheduled," commented Jesswein.

The show, which was rescheduled, was free to ticket holders and $1 for non-ticket holders. The event raised over $1000 for the Senior Class.

'giggin' snow trip to Squaw

TAKEN

I'm so glad I was among the 45 students that went on this years version of the Ski Club's Squaw Valley trip. The weekend was one I'll never forget. The trip to the snow was uneventful, but upon our arrival in Kingsbeach, Nevada I was "thrilled" to meet our guide, Dick. A real "charmer" I must say. (cough, choke, gag!)

Sincerely though, I was happy to be reunited with Anna Conrad, the ever popular advisor to the Ski Club in previous years. The skiing at Squaw on Saturday was great, thanks to an abundance of fresh powder, (wet and sticky, but powder nonetheless). That night we were treated to pizza by a guy who "beat the odds".

So far so good, right? But then I awoke on Sunday to a blizzard and terrible road conditions. The weather did discourage a few skiers. The more robust and "serious" skiers in the group chose to ignore the cold and wind and take advantage of the fresh snow.

The trip home was a real downfall. It took over 12 hours due to bad road conditions and horrible bus that conked out on the freeway in Walnut Creek. Luckily though , the people on the trip made up for mishaps. I was especially impressed by the entertainment provided by Emilie Olsen, Kari Decker, Kim Gerlach, and the Gucci supported CVHS rappers.

The Castro Valley Chess Club has been revitalized by math teacher Kent Wolcott for the 1985-1986 school year. The club meets every Wednesday at lunchtime in room 304. The first tournament was held against Monroe High School and preceded by numerous other tournaments.

When asked about this year's Chess Club Wolcott replied " We have some extremely good chess players this year and would like to see others come and join our Chess Club so they can all practice and improve their skills."

"Fiddler on the Roof" draws loud APPLAUSE

If you didn't go to see "Fiddler on the Roof," you missed an excellent show. From opening curtain to the final scene, this year's musical had you wide awake and listening.

This show wasn't done by high schools because they didn't have anyone to play the lead part of Tevye. In this production senior Kevin Euler played Tevye and did a marvelous job.

He fit the role beautifully, and looked like an old, fatherly man. Euler's performance was so warm and real that I felt like I was back at the turn of the century in a small Jewish village in Russia. Euler's performance, although a show stopper, wasn't the only great performance.

Senior Mike Wrenn seemed to capture the role of Lazor Wolf, the jilted suitor, perfectly. Juniors Elie Young, Hilary Michel, and Kristi Guest played Tevye's three oldest daughters: Tzeiti, Hodel, and Chava respectively.

The scene in which the song "Matchmaker" was sung was lovely. It was sung by Young, Michel, and Guest, three lovely ladies with wonderful voices. They captured me with the way the moved across the stage and the way they sang.

But again it was Euler's role of Tevye that made this musical special. Tevye is a role that takes a lot of versatility. He was funny when he was supposed to be, and very serious when the script called for it.

CMEA

It was again time for Castro Valley High's Symphonic Band and Orchestra to put their talents into action as they performed in this year's CMEA (California Music Educators Association) Festival on March 2,3,9,10.

Each perfoming group was judged in 12 separate categories that included dynamics, balance, tone, technical accuracy, suitability of music, and overall presentation.

The festival began with a 15 minute practice session that was followed by the ever so long walk to the main performing center (the gym). This was where the long hours of practice were put to work. With three tired judges looking on, the director (Jack Luedders) raised his baton . . . . . and it's all over in a matter of minutes.

In the past years Castro Valley's bands and orchestras have done very well, and this year they were working even harder to make their performance superior.

band will go to BC

Castro Valley sent musicians to the World Expo '86 in Vancouver during Memorial Day weekend. Director Jack Luedders was informed that our school's instrumental music department was chosen to play at the event in Vancouver, British Columbia.

Our band was joined by representatives from all over the world (more than 50 countries) who took place in this five month festival. The theme for the World Expo is "World in Motion-World in Touch." There were many displays dealing with achievements in transportation and communication.

Next year will be the 100th birthday of Vancouver and also the 100th anniversary of the first trancontinental railroad. The latter fits in nicely with the Exposition's theme. Some of the Expo's major attractions included the Soule People-mover from France, a Venetian gondola (from Venice), and the HSST which is a flying train from Japan.

CV's band played May 26, which was Memorial Day, from 7:30 p.m. till 9:00 P.M. Other places and dates were scheduled during the four day and three night trip. The student leave on May 24 and return on May 27.

The trip costed each student $409 if they chose to go. The Instrumental Music Parents Society planned fund raisers to help pay for the trip, and they also accepted donations.

the young and exciting girls tennis team are off to a fast start and aren't giving IN

The Castro Valley girls tennis team was young this year, with only two seniors, but they're coming on fast.

This group of girls has faired well in HAAL competition. The team is 5-1 in league play, their only loss coming to the hands of defending league champions, Mt. Eden.

The team was very young, but is very big with 27 girls playing. There are full varsity and JV teams and then some.

The varsity team consists of four singles players and three doubles teams. The top four girls are seniors Tatiana Glanz and Kris Bergen, and sophomores Amy Law and Nancy Quan.

The top three doubles teams are sophomore, Terri Hanson and junior, Karen Nathanson, sophomore, Kristin Hashimoto and freshman, Dyan Horikoshi, and Julie Larusso and Kimiya Funtanilla.

Coach Judy McNamara was looking for another second place finish, but her hopes didn't come true.This year McNamara wanted her team to "...learn how to play the game, to part of a team." McNamara says her girls are "quick learners, they want to do well."

Trojans devastate Lancers in first volleyball MATCH

C.V.'s very own girls volleyball team played the first of its 14 league games of the year against the Tennyson Lancers.

Both the varsity and Junior varsity teams played extremely well, each winning their difficult matches.

The Lancers had C.V.'s varsity team worried after the first of the three game match, winning (8-15), but the varsity team was confident, and it pulled together to dominate the Lancers from that point on, winning the second and third games, (15-8, 15-9, respectively).

However, for the Junior varsity team things were very different. It was the victorious in both the first and second games winning (15-11, 15-9, respectively).

Coach Glenn Mitchell was confident in his his teams this year. Mitchell and his teams have been practicing for many weeks on their volleying skills and were planning to "take it one game at a time" until the middle of November when they hope to compete in the H.A.A.L. playoffs.

Castle excels in four SPORTS

By Sharon Jarvis

Senior Castle Redmond was selected for the Olympian's first sports highlight because of his athletic ability in football, basketball, track, and baseball.

Redmond has led the varsity football team for three years as quarterback and has been contacted by such schools as the University of Southern California, Brigham Young University, San Jose State, Washington, Colorado, and Cal Berkeley.

Aside from quarterback, Redmond is also playing free safety for the Trojans.

Redmond states, "football is my favorite sport because it enables me to let out my aggressions on others."

After football season, Redmond competes on the basketball team. He has played forward for the past three years, but the year the returning led the team in height, playing at the center position.

For his spring sport Redmond played J.V. baseball for two seasons until he changed last year to track. On the track team Redmond excels in the sprints (100M, 200M), long and triple jumps, and the 400M and 1600M relays.

J.V. football: undefeated in LEAGUE

This year's junior varsity football team was off to an exciting start, winning the first four games. With one of the toughest defenses in the league, this team has achieved first place.

Pat Cockrill, a sophomore, praises the defensive line. "It has kept us in games when the offense didn't work too well. Our linebacker crew with Matt Dahms, Kevin Michel, Donavan Modesto and Mike Rice is one of the best in the league. They have intercepted at least two passes a game."

Confidently, sophomore Jim Sweeney stated, earlier in the year, "I think our team has a really good chance to take league. Our great blocking opens up the holes when we need big yards. They have protected me really well. I haven't been sacked since the Newark game (Sept. 20). Also, I think our running game is great. Shane Blair and Brian Sandoval block really well for Matt McKee. I'm also glad Coach Zupfer lets me throw a lot this year."

Matt McKee echoes Cockrill and Sweeney, saying "We have a really good offensive line that is opening some big holes for us running backs. The blocking is pretty good too. Our quarterback throws well and completes most of his passes."

Sophomore Mike Rice agrees, "I really think our team is going to be at the top of the league this year. Our defense is probably our strongest part of our team."

When asked about the offense, Cockrill came up with an easy answer. "Our offensive line is disciplined, and we take pride in protecting Jim Sweeney. Matt McKee is a really hard runner; because of that, it makes our whole backfield work to the best of its ability."

According to the coaches, Dean Masch and Tom Zupfer, they worked with a talented team. Both coaches expressed that their offensive and defensive linemen deserve more recognition. That squad consisted of Jason Briggs, Pat Cockrill, Rick Friery, Danny Garcia, Donavan Modesto, Aric Preisendorf, Edie Rodrigues and Craig Salsberry.

The captains of the victorious team were Cockrill, McKee, Michel, Sweeney, and Rice. The team members' enthusiasm and pride showed as they talked about their team.

Casillas, Kuta take break; '85 season to be their LAST

The year l985 may mark the end of a dynasty for the CVHS boys cross country team, certainly for Head Coach Tony Casillas and Assistant Coach Tim Kuta who plan to take a break from coaching.

Both Casillas and Kuta ended coaching careers at Castro Valley this year. They have been together for 13 years and at Castro Valley since l977.

Both coaches have decided to take a break. "We've been coaching since l973, and we've accomplished a lot. There comes a time when you need a break," said Coach Kuta.
Together Casillas and Kuta have won nine straight championships and hope to make it l0.

To make it number 10 for Casillas and Kuta, it will take a lot of hard work. Coach Kuta said, "It's a real challenge; we have no stars: no Gaziano or Bass: it will take a real team effort."

Coach Kuta feels, "This is the weakest team in 10 or 12 years because of no individual stars, but it's the biggest, and if we do it, we'll do it with numbers."

The team was was ready for the challenge and was very optimistic. "I feel very positive that we can repeat as league champs," says Todd Gillespie. "This year we'll do it for Tony and Tim."

boys varsity soccer players on their way to the TOP

According to senior Mike Chamorro and junior Paul Linney, the team captains of this year's boy's varsity soccer team, the team was in for a good season.

Defensive sweeper Mike Chamorro commented that this year's team was younger and a lot more serious than team in the past. Both guys feel they're on a talented team.

" With help from players like Mike Chamorro, Paul Linney, Curt Coffey, Scott Berglin, and other key players, I think we have a good chance at league's first place," commented Paul Linney, center fullback.

When Paul Linney and Mike Chamorro were asked about people they thought were outstanding players, they both mentioned Paul Hayden, center halfback, Jong Yong, forward, and Curt Coffey, center fullback.

Curt Coffey added, "This was the first year where we do not have a superstar; the whole team is solid and works together as a team." This year's coach, Tony Ferreira, gets good comments.

Mike Chamorro expressed, "We finally have a coach who knows about soccer and knows how to win. With his influence, taking this year's title should be no problem."

varsity basketball still OPTIMISTIC

Tuesday when the varsity boys basketball team confronted the Tennyson Lancers they had no problem taking another Castro Valley victory making their record three wins and two losses.

The Trojan team really defined the word teamwork as they swept the Lancers off the floor with a score of 92 for the Trojans and 44 for the Lancers. Every single player on the team was able to show off their talents because each played a fair amount of the game.

Sophomore Lance Riley impressed everyone with 30 points and 17 rebounds. Riley has had a sensational season. Andy Warner, senior, played a major portion of the game showing all of the fans what he could do. Once again, Steve Shepard showed his ability by contributing many points for the Trojan team. Even though senior, Mike Hoxsie played with an injured hand, he played an outstanding game. The other members of our successful Trojan team are: Scott Bunny, Rich Fregulia, Jeff Haymore, Ricky Neal, and Tim Santich.

After an 8-5 preseason the CVHS boys' basketball team had what turned out to be a successful and exciting HAAL season.

The Trojans started out against league powerhouse Mt. Eden and were crushed 85-62. The Trojans had an easier time in the next two games. They beat San Lorenzo 66-55 and slipped past Arroyo 58-51. The Trojans split their next two games. They lost a close one to Sunset 54-46 and ripped Tennyson 92-44.

The Trojans lost two close games; 68-58 to Hayward and 66-62 to San Leandro before again being devastated by Mt. Eden 90-59. The Trojans then pulled together winning six in a row th make the playoffs. During this streak they beat: Arroyo 65-51, beat San Lorenzo 59-43,slipped by Sunset 55-43, cruised by Tennyson 73-62, stunned Hayward 59-49, and beat San Leandro an a Mike Hoxsie free throw with three seconds left 64-63. Hoxsie had 28 points in the win, which pushed CV into second, and was Daily Reviews prep of the week.

wrestling team triumphs in first dual meet

SINCE '63

The CVHS varsity wrestling team won its first dual championship since 1963, beating Arroyo 35 to 29, and beating San Lorenzo 54 to 6.

The last time the wrestling team won a league dual meet was 23 years ago and on the Arroyo championship team was Craig Prisendorf who is now the trojan wrestling team's assisant coach.

The last match of the day went to freshman Aaron Fitzpatrick who clinched the victory over Arroyo, giving them the HAAL championship title. The team was undefeated with a record of 7-0.

The big story was when the trojan wrestler's captured the Hayward Area Athletic League tournament championship at Tennyson High School, again beating Arroyo. They finished the tournament 70 points ahead of Arroyo who came in second place: Trojans 211, Dons 141.

Coach Dan Masengill was pleased with the performances of his wrestlers, "Our goal was to get ten people in the finals, and we got nine, which is fantastic," said Masengill.

The team had three wrestlers who finished in the top 3: Rob Villaneva won at 129 pounds, Dave Goddard at 148 pounds, and Barry Minor at 178.

seniors "zap the cap;" break all

RECORDS

Do you remember when the Seniors had their "ZAP THE CAP" Luncheon? Many people thought the Class of 1986 was crazy for making such a big fuss over a test...why bother every year; everyone does about the same. Not this year; this year the scores went up!

This year's scores compared with the Class of 1985 are as follows. In reading the Class of 1985 received a score of 63.7 where 1986 received a 69.2; written expression increased from ('85) 62.4 to ('86) 70.4. Spelling also increased from ('85) 68.0 to ('86) 72.0. Even the math scores (which were good already) increased from ('85) 72.5 to ('86) 75.8. In fact the Class of 1986 beat all previous scores in the school's history.

According to Nancy Spaeth, Principal, all of the teachers who helped educate members of the Class of 1986 deserve a pat on the back because the scores went way up from all previous years. The English teachers spent a considerable amount of time and effort to raise the scores this year.

Teachers who took the time to correct spelling, punctuation and grammar; and helped students read a paragraph for reading comprehension; and who helped motivate students for this test were a part of their success.

Also, the math teachers who spent time reviewing with Seniors were a great help.

Because of their huge success the Class of 1986 received a huge cash reward.

Senior Class President, Richard Jesswein, enthusiastically stated, "We ZAPPED THE CAP...I was ecstatic when Mrs. Spaeth told me of the scores...There was no doubt in my mind that the Class of 1986 would be successful; but having the highest scores of any other senior class surprised me - only a little. I hope everyone knows that it was the spirit and unity of my class that brought this honor upon Castro Valley High School."

Junior Class Cheer

Hey there, hi there, ho there;
You're as welcome as can be.
We'd like to introduce ourselves as Junior Disney.
We've got the spirit and we're here today,
There's something that we'd like to say. . .

Freshmen go back to junior high,
Davy zip your fly.
Sophomores you think you're really old,
Underclassmen are what we're told.
Fred, Wilma, and the rest,
Don't you think you are obsessed.
Rally is for fun and games
Seniors shouldn't play with flames!

Fire cracker, fire cracker, boom, boom, boom
Fire cracker, fire cracker, boom, boom, boom

Juniors, we've got the spirit
All you others we know you fear it.
All you others think you're tough,
But tonight at the game,
We're gonna strut our stuff.
The Trojan team is Number One.
We'll show those Lancers how it's done.
Give me a T R O J A N S !

Sophomore Class Song

(Tune: "Popeye, the Sailor Man")

We're Sophomores at C.V. High!
Our banners will always fly!
We'll sing and you'll hear it,
Cause we've got our spirit!
We're sailing at C.V. High! (Toot-Toot)

We're nineteen-eighty-eight
And we'll be the others' fate!
We'll sail night and day,
So it's anchors away!
Keep sailing at C.V. High! (Toot-Toot)

Together we'll all unite;
For vic-tor-y tonight!
We'll yell and we'll scream,
"We've got the best team!"

Freshman Class Cheer

(To the Sophomores)
We know what you think--but in the end you're gonna sink.
When you think you're going to stay afloat,
Well, don't look now, but you missed the boat.
The Freshmen are in captain's seat,
So you better watch out 'cause you're gonna get beat.

(To the Juniors)
You think you're great mouseketeers--well, let me tell you now,
You'll need you big ear, listening to the victory voices
Of the Freshmen Frontiers.

(To the Seniors)
You think you're really great--well, let me tell you now,
You should get up to date.
The Freshmen class will surely beat the rest,
And end up the very best.

Freshman Class Song

(Tune: "Battle Hymn of Republic")

When the freshmen heard of gold
They came out to the West.
When they got here they discovered
That they're the very best.
The sophomores, nor the juniors
Nor the prehistoric seniors
Could ever defeat the frontiers.

Chorus:
Mighty, Mighty Frontier Freshmen,
Mighty, Mighty Frontier Freshmen,
Mighty, Mighty Frontier Freshmen,
Will reign for ever more.

So, if you try to challenge
The mighty freshman class,
Well, let me tell you now
That you'll come in very last.
For freshmen are the class
That will beat all the rest,
And become the very best.

(Repeat Chorus)

ACKNOWLEDGEMENTS

The 1986 Yearbook Staff would like to thank the entire Castro Valley High School Staff for its cooperation throughout the year.

Our appreciation goes to all the students and particulary those who contributed photographs in the senior section.

Our thanks also goes to the Olympian for supplying us with the many news articles used in our copy blocks, and Selchow and Righter for the right to reprint the Scrabble and Trivial Pursuit game boards.

Without the help of our official school photographer, we would never have the photographs needed to meet our deadlines. For this, we are grateful beyond words to Roy Garibaldi and those who work in his studio.

A special thanks to Miss Cowl for her dedication to our very special yearbook. Her time and effort was greatly appreciated.

And finally, to Ed Farewell, our publishing representative, who constantly watches out for our interests.

***The 1986 yearbook is dedicated to** those seven explorers who lost their lives while chasing the 'American Dream'. Their spirit and unity is shared by all Americans in our liberty and freedom.*

Darling, what can I say to you? I'm so sorry I've been so busy with work and haven't had the time to call you. I've been thinking of you every day and I miss you so much. I'm glad to hear that you're doing well and that you're enjoying your summer. I'm also glad to hear that you've been able to get together with your friends and family. I'm sure you've had a lot of fun.

I've been thinking about you a lot lately and I've been wondering if you'd like to come visit me for a few days. I'd love to see you and spend some time with you. I'm sure we could have a great time together. I'm also sure that you could use a break from your summer job. I'm sure that you've been working very hard and that you deserve a little bit of relaxation.

I'm also thinking about coming to visit you because I miss you so much. I miss your smile, your laugh, your hugs, your kisses, your cuddles, your everything. I miss the way you make me feel when we're together. I miss the way you look at me when you're trying to make me laugh. I miss the way you look at me when you're trying to make me cry. I miss the way you look at me when you're trying to make me feel something.

I'm also thinking about coming to visit you because I want to see you in your element. I want to see you in your natural habitat. I want to see you in your comfort zone. I want to see you in your happy place. I want to see you in your sad place. I want to see you in your angry place. I want to see you in your confused place. I want to see you in your frustrated place. I want to see you in your bored place. I want to see you in your tired place. I want to see you in your hungry place. I want to see you in your thirsty place. I want to see you in your horny place. I want to see you in your sleepy place. I want to see you in your lonely place. I want to see you in your sad place.
